Information Processing 10 SK.5200 Ms. S. Krahn

Overall 96

Comments

Udaey, you've done an excellent job in this class keeping up with the course work, designing your documents with criteria and the viewer in mind, and you used your class time well. You've met all the outcomes in this course. I hope you've enjoyed this class! Consider taking Graphic Design and Information Processing 20. Keep working on your typing speed as this is a life long skill. All the best in your next quarter classes!
