Computer Science 30 SK.8702 Mr. S. Scott

Overall 99

Comments

Udaey, this semester you demonstrated strong understanding of concepts and maintained a high standard of quality in your work. In particular, your Capstone Coding Project – which allowed you to investigate API usage and RF communication– was well done and allowed you to experience some of the challenges that crop up on projects of a more complex scale. Congratulations on completing the course!

Days Absent 2

Lates 1

English Language Arts A 30 SK.8017 Ms. C. Prefontaine

Overall 93

Comments

Udaey, your work indicates you have insight in this subject matter, a unique perception, and a creative imagination. You work well with others, demonstrate cooperation during partner and group activities, and portray maturity and initiative. You have performed well in all learning outcomes for this course. I appreciate your positive attitude, and it has been my pleasure to teach you. Good Luck in your Future!
